

Locum Position in Radiation Oncology

The division of Radiation Oncology, at the Juravinski Hospital and Cancer Centre is seeking to fill a three-four month Locum position effective July or Aug, 2017. The successful candidate will be responsible for the cancer treatment and care of patients with a variety of cancers, but a focus on GU or head and neck cancers would be preferred.

The Juravinski Cancer Centre in conjunction with the Walker Family Cancer Centre in St. Catharines serves the region of Central West Ontario and sees approximately 5,000 new cancer patients per year.

Application Requirements:

1. CPSO License to practice in the Province of Ontario
2. Evidence of CMPA coverage
3. Curriculum vitae - include information on teaching and research positions, list of publications, certificates, awards, scholarships, memberships, etc
4. Three appropriate professional letters of reference.

Forward a letter of interest to:

Dr. Jim Wright
