2. E-BLAST ADVERTISING RATES

Over 750 Radiation Oncologists, residents, fellows and associates (physicists, radiation therapists) make up the current CARO database. Typically CARO will send an e-blast of a survey or an e-blast to advertise a meeting or an event. Please note that CARO will not circulate solicitations or surveys to the membership on behalf of groups with commercial interests.

In addition, surveys require having had an ethical review and the full survey details need to be provided for CARO Executive approval before they can be emailed to the membership.

The fee schedule and eligible groups are below:

Frequency	CARO Members and their associated organizations or CARO Partner organizations
First E-blast	\$500*
Reminder (2 nd) E-blast	\$100*

****All rates do not include applicable taxes***
